

## NAVSEA SeaPort-e

NAVSEA SeaPort-e Contract Number: N00178-08-D-5552

Period of Performance: 5/28/2008 - 5/28/2018

As a minority owned 8(a) small disadvantaged business, PrimeX Technology, Inc provides Engineering, Technical and Programmatic support services as well as semiconductor system installation and field services while maintaining a global partnership with our customer stakeholders on East and West Coasts as well as SE Asia. We are also expanding our marketing base to support Naval Seas Systems Command (NAVSEA) and its Warfare Centers as required in the SeaPort-e Solicitation within zones 1, 2 and 6. PrimeX's commercial growth has been achieved through an established reputation for quality, sound business practices, and professional ethics.

Our Corporate Headquarters is located in Mesa, Arizona with satellite offices located in Crystal City, Virginia, Las Vegas, Nevada and Middletown, Rhode Island.
